People
Process
Technology
Fear of victimisation
Mutual distrust
Low awareness of channels
Manual, paper-based reporting
No feedback or tracking
Slow resolution
No central reporting platform
Scattered social media posts
Poor internet access
PROBLEM:
Ineffective reporting and resolution of issues between AAUA students and indigenes
Poor night security
Rent and landlord disputes
Weak road, water and power
No clear responsible unit
Weak student–community liaison
No issue records or statistics
Rumours and misinformation
Language and cultural gaps
No anonymous channel
